Dear Square Dancers,

This letter is to inform you that the Holiday Jubilee Square Dance Weekend has been cancelled. We felt that our registrations were not high enough to afford a good dance program. I hope this decision has not inconvenienced you in any way. If you have paid in full or paid a deposit to Coy Enterprises, you will find a refund check enclosed.

We did not take canceling the weekend without a lot of thought. This would have been our 12<sup>th</sup> year of having fun calling and enjoying fellowship with you. I am hoping we can continue this tradition next year. Please block the dates of Dec. 4, 5, and 6, 2009 for next year.

Please feel free to call or e-mail us with any concerns you might have.
